ABOUT U.S. LUMBER

For more than 30 years, U.S. LUMBER has worked to build a business designed around the needs of building materials dealers. In that time U.S. LUMBER has grown geographically. We have added distribution brands like **Alexandria Moulding** and **USL Direct**, expanded our product and service offering, and remained committed to meeting a standard of trust and responsiveness that is unmatched in the industry. Today our company serves over 15,000 customer locations in the United States and Canada with more than 50 categories of unique specialty building products.
