Chocolate

Ninety Bronze

Sandy Shore

Satin Black

Gloss White

Speckled Walnut

Colors shown are a close approximation of the true color. Please consult actual samples for accurate powder coating colors.

# POWDER COATING PROCESS

## Exclusive DSI Powder Coating Process

DSI's proprietary 10 step powder coating process provides an uncompromising quality created by state-of-the-art technology. Our system is certified by the Powder Coating Institute providing peace of mind in your investment. Our powder coating is verified by the American Architectural Manufacturers Association and is covered by a Lifetime Limited Warranty.

**1**  
**The raw premium-grade aluminum is inspected** to be free of blemishes and is not exposed to the outdoor elements.

**2**  
**The product enters a heated cleaning stage** to remove extrusion debris and fabrication oils.

**3-6**  
**Clean:** City water rinse.  
**Cleaner:** Recycling reverse osmosis water rinse  
**Cleanest:** Pure reverse osmosis water rinse  
**Sealer:** Dried-in-place aluminum sealer

**7-8**  
**A 200 MPH air blast removes water drops** from the pre-treated aluminum.  
**A convection oven** completes the dry-off process.

**9**  
**Powder is applied** with 18 automated and 2 manual spray guns. Compressed process air is dried to -35°F Dew Point for superior adhesion.

**10**  
**The powder coating is then bonded** and adhered to the aluminum substrate in a 400 degree cure stage.

# GATES & HARDWARE

DSI offers matching gates for most Westbury® Aluminum Railing styles\*. Gates allow the flexibility to “enclose” your railing area, keeping your family safe from stair hazards and your pets limited to your deck or patio area. All Westbury® C Series gates, with the exception of Veranda (a welded gate), are adjustable. \*Matching Gates are not available for Montego Series.
